

Interest Form for Wetlands Enhancements in Cumberland County

Qualifying criteria:

- Property located in Cumberland County
- Contains a body of water (stream, pond, spring) within a floodplain
- OR a low area/ditch that holds water or occasionally floods
- The existing water feature is impaired and could be improved

Enrolled project sites will enter a 15 year agreement that the landowner will keep the project as an enhanced wetland.

After form submission you can expect to hear back within 30 days.
